Park Point Beach House Closed Today due to fire hydrant replacement

[Duluth, MN] The Park Point Beach House will be CLOSED today, August 6, due to a temporary shutdown of water supply. Water on Park Point will be temporarily shut down today, August 6, while City of Duluth Utility Operations replaces two fire hydrants.

Water will be temporarily shut down south of 23rd Street (between 23rd Street and the Sky Harbor Airport) between the hours of 9:30 a.m. and 5:00 p.m. Water will be restored as soon as work is completed.

For more information, please contact Bill Bergstrom, Senior Engineering Specialist, at (218) 730-5078 or Daniel Fanning, Community Relations Officer, at (218) 730-5307.
