Duluth Snow Removal Operations to Start March 4

[Duluth, MN] - The City of Duluth Maintenance Operations crews will start snow removal operations on Tuesday, March 4, 2014 at 2:00 AM. Crews will start along Superior Street beginning at 6th Ave West moving east. Crews will also attempt to clear snow along the avenues as they work east bound.

The public is advised to watch for no parking signs and to remove their vehicles as of 2:00 AM on March 4 to avoid ticketing and allow crews to expedite their work along Superior Street.

Additional priority areas include the avenues from 6th Ave West to 10th Ave East on 1st, 2nd and 3rd Streets, the Canal Park Business District, 4th Street and 9th Street. Some of this work may also be conducted during business hours. Progress of the snow removal operations is dependent on weather conditions.

The City thanks the public for their patience and cooperation.
