### **Next Superior Street Reconstruction Meeting Scheduled for April 1**

[Duluth, MN] - The City of Duluth invites the public to the fourth in the series of meetings to discuss the future vision for Superior Street in downtown Duluth. The meeting is scheduled for Tuesday, April 1, 2014 at 4:30 pm at the Greysolon Plaza (231 E. Superior Street) in the Moorish Room.

Previous meetings captured input from participants about streetscape design including pavement surface types, landscaping, street furniture, lighting and other amenities. Two draft designs have now been created based on prior input showing a block-by-block view of the entire corridor. The meeting will be an open house allowing the public to participate for as long as they wish, view the designs, and have one-to-one conversations with the consultants and project staff on hand.
