SUBJECT: Water leak repair planned along Garfield Avenue to Port area on February 9

BY: Pakou Ly, Communications Office

Water leak repair planned for port area February 9

[Duluth, MN] - The City of Duluth Public Works and Utilities crew will be fixing a water leak on Garfield Ave on Friday, February 9th, 2018. The City anticipates turning off water service to properties along Garfield Ave south of Railroad Street down to Port Terminal Drive, between 9:00 am and 5:00 pm.

The public can track utility outages using this map, <http://www.comfortsystemsduluth.com/outages/> and get immediate notices by subscribing to Northland Alert, an emergency notification system, <http://www.duluthmn.gov/northlandalert/>.
