SUBJECT: A portion of West Superior Street to temporarily close to traffic beginning on April 19

BY: Kate Van Daele, Public Information Officer

A portion of West Superior Street to temporarily close to traffic beginning on April 19

[Duluth, MN] A portion of West Superior Street will be closed to traffic beginning on Tuesday, April 19 to restore a portion of the road and sidewalk for the Lincoln Park Flats housing development. The work is being done by the developer.

While work is being done, a detour will be put in place around West Superior Street from 21st and 22nd Avenue West. East bound vehicular traffic will use 23rd Avenue West and the choice of Michigan or 1st Street. West bound traffic will be detoured at 21st Avenue West to the drivers choice of Michigan or 1st Street.

The contractor will use temporary bituminous until hot mix is available. This is the first of several steps to finish the 2100 block sidewalk, pavement, and temporary bike line restoration that is impacted by the new development.

The City of Duluth appreciates the adjacent businesses and traveling public's patience during the closure.

Work is expected to reopen on Friday, April 22, 2022.
