Applications sought for City Boards and Commissions

The City of Duluth is currently seeking applicants for the following city boards and commissions openings occurring in the near future:

Alcohol, Gambling & Tobacco Commission - This commission investigates every application to sell alcoholic beverages and gambling premise permits within the City and makes an advisory recommendation to the City Council for granting or refusing licenses.

American Indian Commission - This commission ensures that the views of the American Indian community are incorporated in the decision making, future planning, and stewardship of the city of Duluth and works to increase American Indian community involvement in all aspects of community affairs in Duluth.

Board of Zoning Appeals - This board hears and decides appeals from the decisions of the Building Official in the enforcement and interpretation of the Zoning Code.

Building Appeal Board - This board hears appeals from decisions by the Building Official interpretation of the State Building Code, the Duluth Housing Code and the handling of appeals pertaining to the Fire Chief's interpretation of the Fire Code. ****Applicants to this board must work in or represent either a building trade union, finance, building material supply or residential building construction.**

Civil Service Board - This board oversees matters relating to civil service employment within the city.

Commission on Disabilities - This commission assesses the needs of disabled persons regarding matters such as employment, housing, transportation, accessibility and equal rights.

Community Development Committee - This committee reviews proposals for funding under the Community Development (CD) program.

Duluth Human Rights Commission - This commission promotes cultural diversity, the elimination of hate, prejudice, and discrimination against persons or groups based on race, gender, religion or other status of the person or group; educates the community on issues of discrimination and cultural diversity; promotes the goals and objectives of the Minnesota Human Rights Act.

Duluth Public Arts Commission - This commission establishes criteria for selection of artists, locations for works of art and the works of art themselves which are to be paid for from the Municipal Arts Fund.

Duluth Transit Authority - This authority administers the operation of the public transit system.
****Applicants for this opening must reside in the 5th Council District of Duluth.**

Environmental Advisory Council - This council promotes environmental awareness and advises and educates the City Council, city administration and the community on environmental issues. ****Applicants must either be environmental representatives or citizens of Duluth.**

Heritage Preservation Commission - This commission investigates and reports on the historical, cultural and architectural significance of the buildings, structures, sites or objects proposed for special designation.
****Applicants must either be preservation professionals or citizens of Duluth.**

Housing and Redevelopment Authority - This authority deals with the improvement and revitalization of residential neighborhoods, urban renewal, construction and operation of senior citizen housing, and related matters.

Library Board - This board advises the Director, City Administration and City Council on Library policies, proposed new services, proposed new facilities and on the deletion of services and facilities.

Parking Commission - This commission investigates and studies on- and off-street parking problems of broad significance occurring in the city and makes recommendations to the Administration and City Council concerning the solution of such problems.

Parks and Recreation Commission - This commission assists the Administration by making recommendations on issues that are pertinent to the development and or enhancement of existing or future recreational needs of this community.

Planning Commission - This commission advises the City Council on all planning and development matters including rezonings, issuance of special use permits and community development policies.

Special Board of Review - This board reviews assessment and classification of all property within the city; determines that all taxable property within the city is listed and properly valued; hears all persons feeling aggrieved by the assessment or classification of property and makes such adjustments as shall appear just.
****Applicants for current openings on this board must either be a real estate broker or a real property valuator.**
