Community invited to Duluth Parks Mini-Master planning meeting for Lincoln Park

[Duluth, MN] - The community is invited to a public mini-master plan meeting hosted by the City of Duluth Parks and Recreation division to learn about and provide input on proposed renovations to Lincoln Park. The purpose of the meetings is to gather public input on future park uses and landscape enhancements. The meeting will take place on:

Tuesday, August 25, 2015
6:00 to 7:30 PM
Harrison Community Center
3002 West 3rd Street

Lincoln Park is one of four qualifying parks for the Grand Avenue Parks Fund. The fund is part of the larger St. Louis River Corridor Project supported by the 1/2 and 1/2 tax fund. This specially designated funding will provide "destination-level" investments to qualifying parks. The Grand Avenue Parks Fund invests in community partnerships with user groups and residents to co-create and co-manage outdoor recreation experiences in the neighborhoods along the corridor. The Grand Avenue Parks Fund will provide 1:1 match grants up to \$500,000 per park.
