SUBJECT: City offering collection sites for sand and black top

BY: Pakou Ly

City offering collection sites for sand and black top

The City of Duluth is requesting that residents also help pick up loose chunks of black top as they sweep up sand and grit from the winter. The City can reuse the chunks and sand for various purposes. Removing this debris will also help protect streams and trout habitat.

Residents can drop off loose chunks of black top along with sand and grit at the same location. The collection sites are marked with black silt fencing and are open to all Duluth residents to dump loose black top chunks and road sand from their sidewalks, curbs and gutters. It is not necessary to bag the sand or grit. Collection sites are at the following locations:

34th Ave East and Valley Drive

Chester Bowl

Duluth Heights Community Club

Lester Park

Piedmont Community Center

Stowe School

Wheeler Field

Woodland Community Center

For additional information regarding this program contact Chris Kleist, Project Coordinator at (218) 730-4063.
