Aerial Lift Bridge to Begin Summer Lift Schedule May 25

[Duluth, MN] - On Friday, May 25, 2018, the Aerial Lift Bridge will begin its summer lift schedule. The Bridge will lift on the hour and half hour from 7 am to 9 pm every day until the Tuesday after Labor Day. The Bridge will continue to open upon request at all times for vessels over 300 gross tons; Federal, state, and local government vessels; vessels in distress; commercial vessels engaged in rescue or emergency salvage operations; vessels engaged in pilot duties; and vessels seeking shelter from severe weather. All other water vessels will follow the half hour and hour lift times.
