SUBJECT: Water Main Break Restored on Park Point

BY: Kate Van Daele, Public Information Officer

Water Main Break Restored on Park Point

[Duluth, MN] Earlier this morning the City of Duluth was notified of a large amount of water at 2634 Minnesota Avenue. Crews responded at 10:30 a.m. and restored the water connection at noon to residents living from 23rd and Minnesota Avenue and South Lake Avenue to the end of the point. The City of Duluth would like to thank residents for their patience and understanding during the time that the water needed to be shut off.
