**City of Duluth December 3rd Plowing Update**

[Duluth, MN] As of 10:00 a.m. on December 3rd, the City of Duluth reports that over 60% of residential streets have been plowed.

The City has been able to fix or replace graders that needed mechanical repairs in the last two days and have 21 out of 22 graders back on the streets. Front end loaders and nine sanding trucks are also helping to improve street conditions.

City staff anticipate that all residential streets will be plowed by 6:00 p.m. tonight, December 3rd. Alleys that haven't already been cleared will be cleared starting on Wednesday, December 4th.

The City of Duluth will provide another update on plow efforts as we are able.
