Portion of the Lakewalk to Close Temporarily for construction due to past storm damage

[Duluth, MN] Beginning on November 11, the City of Duluth will close a portion of the Lakewalk to complete temporary repairs to the asphalt path. The path was damaged by the four major storms that dismantled parts of the Lakewalk and other Duluth areas. Closures will begin at the Lakewalk from the overpass at 16th Avenue East to Water Street (map attached). Work is expected to be complete by the end of the workday on Friday, November 13.
