SUBJECT: City of Duluth to host two public meetings regarding the design of the upcoming West Superior Street reconstruction project on November 1`

BY: Kelli Latuska, Public Information Officer

City of Duluth to host two public meetings regarding the design of the upcoming West Superior Street reconstruction project on November 1

[DULUTH, MN] The City of Duluth is inviting the community to two public meetings regarding the reconstruction of West Superior Street between Carlton and West Michigan Streets. These meetings are intended to discuss feedback from the first two public meetings and to present a proposed design that incorporates that feedback as well as other design constraints. To allow for maximum public participation, two public meeting session options will be offered on Wednesday, November 1, 2023. One will be an in-person meeting, and the other session will be held virtually.

Project design and engineering will occur through 2024, with construction scheduled to take place from 2025 to 2028. Funding for the project will come from a Rebuilding American Infrastructure with Sustainability and Equity (RAISE) federal grant, Municipal State Aid for Streets, and utility funds.

The scope of work for the project includes:

- Full reconstruction of the roadway and utilities
- Traffic signal study and recommendations
- Stormwater drainage and infrastructure improvements
- Street lighting replacement and improvement
- Pedestrian improvements
- Multimodal improvements for cyclists and other lightweight human and electric powered devices

Virtual Public Meeting Session #1:

Wednesday, November 1, 2023

Noon – 1 pm

How to reach the virtual meeting:

Microsoft Teams meeting:

In-Person Public Meeting Session #2:

Wednesday, November 1, 2023

4:30 pm – 6:30 pm

Clyde Iron Works Malting Building

2907 Helm Street, Duluth, MN

There will be a brief presentation beginning at 5:00 pm by the design team to discuss the project and the design concepts, however community members are invited to attend at any time that is convenient for them. City staff and the design team will be available to discuss the project and gather feedback throughout the meeting.

If you cannot attend the meeting but would like to follow the project and/or provide feedback, please visit the project website at westsuperiorstreet.com. Alternatively, you can also reach out to the City's Project Engineer Alex Popp, PE at apopp@duluthmn.gov.
