SUBJECT: Sport court at Wheeler Athletic Complex closed beginning September 24 for sealing/coating/stripping

BY: Kelli Latuska, Public Information Officer

**Sport court at Wheeler Athletic Complex closed starting September 24 for
sealing/coating/stripping**

[DULUTH, MN] On Wednesday, September 24, the sport court at the Wheeler Athletic Complex will be striped and a coating will be added to the multi-use tennis/pickleball and basketball courts. This sealing coating will preserve the long-term life of the court.

To accommodate this work, the entire sport court will be closed beginning September 24 and remain closed through the anticipated project completion date of September 28. Tennis nets have been removed from the tennis courts. The court gates will be locked once work begins. If work is finished sooner, the courts will be unlocked when they become available for use again.

The City of Duluth thanks court users for their patience through this process.
